

Partner Supplier Associate Member Benefits

The American Forest & Paper Association (AF&PA)

serves to advance essential U.S. pulp, paper, packaging and wood products manufacturers in our circular economy. Our members make sustainable products for a sustainable future from renewable and recyclable resources, generate renewable bioenergy and are committed to continuous improvement through the industry's sustainability initiative — [*Better Practices, Better Planet 2030*](#). The forest products industry accounts for approximately 5% of the total U.S. manufacturing GDP, manufactures about \$350 billion in products annually and employs about 925,000 people. The industry meets a payroll of about \$65 billion annually and is among the top 10 manufacturing sector employers in 43 states.
